

## Shared Community Vision

*Come grow with us.*

Our Community ....

- ✓ Engages and supports all members, and celebrates our individual uniqueness and shared experiences. Everyone has a place in our community! Our strength is our diversity.
  - ✓ Engages in activities amongst people of all ages!
- ✓ Works from a model of shared responsibility done cooperatively
  - ✓ Captures the beauty of our natural habitat
  - ✓ Has an improved system of transportation
- ✓ Is a youth-friendly place. We provide support and stability for youth by providing a safe and accessible environment for them to interact, learn, and have fun
  - ✓ Includes a vibrant, helpful and useful, Resource Centre
- ✓ Brings together the people and all levels of services to make us a healthier, more informed community
  - ✓ Is a place that is safe for everyone. Everyone is important

*We are all leaders working together, supporting each other,  
and being responsible for one another.*

*We contribute to the vitality of London!*
